Primary Examiner
Art Unit: 1745

Art Unit: 1745

In response to the Return Order mailed on January 3, 2007, the following remarks are made.

The rejection of claims 1-17 over Takami in view of Watanabe has been withdrawn in favor of the new ground of rejection of claims 1-17 over Takami in view of Watanabe in further view of Kurose. A statement to this effect should have been made in the Supplemental Examiner's Answer of August 22, 2006 but was inadvertently omitted.

This issue having been clarified on the written record, it is believed that the application is now in condition to be docketed as an appeal, and such action is respectfully requested.
